VISUAL JOURNALING WITH SOUND

Tuesday, March 4, 7pm

Whether you journal or not, whether you consider yourself an artist or not, set aside an hour to dream and to create in our Visual Journaling class. This mini class will introduce techniques in visual journaling complete with a sampling of the colors of sound. Presented by Susan Chatburn. **Ages 16-Adult**

FOLK ART

Monday, April 28, 7pm

Folk art is the art produced by self-taught people. Every culture has its share of folk artists, yet art historians often deny folk art its rightful place alongside fine art. Ms. Eunice LaFate, a Jamaican born, prizewinning folk artist, addresses this issue and explores the concepts of folk art and culture. Audience members will have the opportunity to create their own folk art! This program is sponsored by the Delaware Humanities Forum.

LEFT BRAIN/RIGHT BRAIN IN ART

Tuesday, May 6, 7pm

This workshop will present an overview of the drawing task with right brain/left brain thinking as well as how the theory works in understanding works of Art. Presented by Bob Palandrani.
