Title: MAINTENANCE OFFICE ADMINISTRATOR

Approved:

GENERAL STATEMENT OF DUTIES: Performs supervisory and administrative work in the Department of Special Services; does related work as required.

DISTINGUISHING FEATURES OF THE CLASS: An employee in this class supervises communications and other office staff in the Department of Special Services operations area, coordinates activities and functions, and performs administrative tasks. Responsibilities include coordinating two-way radio, automatic vehicle locator (AVL), and reception operations; performing personnel and quality assurance reviews; coordinating security operations; and working on special projects as directed. Work is performed under general supervision and includes weekend and shift assignments as needed.

EXAMPLES OF WORK: (Illustrative only)

- Supervises all Department of Special Services communications staff and other office staff as required;
- Plans and assigns work, evaluates work performance, and trains subordinates;
- Develops office procedures and improvements and oversees the daily activities of the communications/dispatch office;
- Ensures adequate coverage of the communications/dispatch office, prepares work schedules, and resolves related problems;
- Maintains, reviews, and updates reference materials, maps, directories, emergency plans, training information, and other related information;
- Responds to telephone inquiries and other service requests;
- Maintains records pertaining to telephone, two-way radio, AVL, and security equipment;
- Coordinates the operation, installation, and repair of communication equipment in vehicles;
- Researches problems, prepares related reports, and makes recommendations;
- Assists section managers with special projects as requested;
- Performs the duties of communications staff when not performing supervisory duties;
- Promotes an ongoing attitude of dedication to excellent public service and ensures that external and internal customers are provided with the highest quality of service;
- Performs data entry and quality control reviews in the computerized work order system;
- Operates a personal computer and other related equipment in the course of the work.
