## CLASS SPECIFICATION

Date 05/01/01

Title: CHIEF OF CONSTRUCTION SUPPORT

Approved:

GENERAL STATEMENT OF DUTIES: Performs responsible administrative work in generating and directing tasks relative to the maintenance, rehabilitation, reconstruction and construction of sanitary sewer and storm drainage infrastructure, parks, public property and facilities; does related work as required.

DISTINGUISHING FEATURES OF THE CLASS: An employee in this class applies professional knowledge and managerial skills to the maintenance, rehabilitation, reconstruction and construction of sanitary sewer and storm drainage infrastructure, parks, public property and facilities. Responsibilities include the management and supervision of professional, technical, supervisory and support staff, consultants and contract vendors. Assignments are broad in scope and considerable independent judgement is required.

EXAMPLES OF WORK: (Illustrative Only)

- Supervises, trains, instructs and evaluates employees;
- Supervises the preparation of plans and specifications for rehabilitation, reconstruction and construction projects;
- Coordinates sanitary sewer, storm drainage, parks, public property and facilities projects with other agencies;
- Prepares and administers the operating budget;
- Investigates complaints and service requests;
- Authorizes work to be performed by personnel and contract vendors, reviews inspection reports and accepts work for payment and final acceptance;
- Promotes an ongoing attitude of dedication to excellent public service and ensures that external and internal customers are provided with the highest quality of service;
- Operates a data processing terminal, personal computer and other related equipment in the course of the work.

REQUIRED KNOWLEDGE, SKILLS AND ABILITIES: Thorough knowledge of the principles and practices of planning, construction, rehabilitation, maintenance and reconstruction of sanitary sewer and storm drainage infrastructure, parks, public property and facilities; ability to supervise the work of others; ability to plan projects and prepare estimates and specifications; ability to communicate courteously and effectively, both verbally and in writing; ability to pass a Class III County physical examination.
