Title: BUILDING MAINTENANCE MECHANIC

Approved:

GENERAL STATEMENT OF DUTIES: Performs a variety of building and mechanical maintenance duties; does related work as required.

DISTINGUISHING FEATURES OF THE CLASS: An employee in this class performs building and mechanical maintenance work involving responsibility for the repair, heating, cooling, preventive maintenance, and custodial upkeep of various County buildings and facilities. Supervision may be exercised over Maintenance and Construction Workers, Trades Helpers, or Custodians. This employee coordinates with outside contractors and monitors the work performed by such contractors. The work is performed under general supervision leaving much latitude for independent action.

EXAMPLES OF WORK: (Illustrative only)

- Performs rough and finished carpentry, painting, plumbing, electrical, and mechanical maintenance work on public buildings, facilities, and equipment;
- Repairs desks, tables, chairs, and other office furniture;
- Repairs buildings, doors, windows, and floors;
- Repairs mechanical equipment;
- Repairs heating and air conditioning systems;
- Paints interiors and exteriors of buildings;
- Performs a variety of cement and masonry work;
- Repairs or replaces broken plumbing fixtures;
- Installs trim, doors, locks, windows, and vents;
- Installs electrical fixtures such as switches, receptacles, lighting fixtures, and fuse boxes;
- Inspects buildings, facilities, and related problems to determine repairs or maintenance needed;
- Estimates cost of repairs and maintenance work and necessary supplies;
- Maintains records on work performed;
- Responds to calls via pagers;
- May make work assignments and oversee work;
- Promotes an ongoing attitude of dedication to excellent public service and ensures that external and internal customers are provided with the highest quality of service;
- Operates a personal computer and other related equipment in the course of the work.
