

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, please visit _____ or call _____. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u>?	\$200 individual/\$400 family combined <u>network</u> and out-of- <u>network</u> .	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible</u>?	<p><u>Network deductible</u> does not apply to office visits, <u>preventive care services</u>, diagnostic tests, advanced imaging tests, inpatient hospital facility and professional services, outpatient surgery facility and professional services, <u>emergency room care</u>, <u>emergency medical transportation</u>, <u>urgent care</u>, inpatient and outpatient mental health, inpatient and outpatient substance abuse, maternity services, <u>home health care</u>, <u>rehabilitation services</u>, <u>skilled nursing care</u>, child's routine eye exam, <u>hospice service</u>, and prescription drug benefits.</p> <p><u>Copayments</u> and <u>coinsurance</u> amounts don't count toward the <u>network deductible</u>.</p>	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.

<p>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</p>	<p>\$2,000 individual/\$4,000 family <u>network</u> up to a total maximum out-of-pocket of \$7,900 individual/\$15,800 family.</p> <p>\$2,000 individual/\$4,000 family out-of-<u>network</u>.</p>	<p>The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>
<p>What is not included in the <u>out-of-pocket limit</u>?</p>	<p><u>Network</u>: <u>Premiums</u>, balance-billed charges, and health care this <u>plan</u> doesn't cover do not apply to your total maximum out-of-pocket.</p> <p><u>Out-of-network</u>: <u>Copayments</u>, <u>deductibles</u>, <u>premiums</u>, balance-billed charges, prescription drug expenses, and health care this <u>plan</u> doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u>.</p>
<p>Will you pay less if you use a <u>network provider</u>?</p>	<p>Yes. For a list of <u>network providers</u>, see _____ or _____.</p>	<p>This <u>plan</u> uses a <u>provider network</u>. You will pay less if you use a <u>provider</u> in the <u>plan's network</u>. You will pay the most if you use an <u>out-of-network provider</u>, and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.</p>
<p>Do I need a <u>referral</u> to see a <u>specialist</u>?</p>	<p>No.</p>	<p>You can see the <u>specialist</u> you choose without a <u>referral</u>.</p>

All copayment and coinsurance costs shown in this chart are after your overall deductible has been met, if a deductible applies.
