

WHAT HOME MEANS TO ME

The 2020 DE-NAHRO Poster Contest is Still On!

After months in the house, many have a new appreciation for “What Home Means to Me,” the annual theme of the contest. While we regret not being able to host our normal live art events for program kids this year, **the DE-NAHRO Poster & Essay Contest is still accepting submissions!** Once again, there are some great prizes, including a \$100 Visa Gift Card for 1st Place.

We want to help HCV families participate and to celebrate their kids' artistry and creativity!

This year's contest is back to accepting posters of 8 ½ x 11" or larger, so no need to worry about getting big poster boards (unless you want to). Markers, crayons, pencils, charcoal... any media is fine. To receive an entry packet by mail, please contact Matt Alexander at 395-5596 or Matthew.Alexander@NewCastleDE.gov. The packet will contain the entry form, essay sheet, each child's choice of either colored pencils or crayons, and an envelope they can use to mail completed posters back to us.

If you do not need supplies, everything can be done online! Check out our Tenant Page on the NCCHA website (link below). You can read the full rules for the DE-NAHRO contest and download a copy of the entry packet. The finished art can be submitted by emailing a high-resolution image of the poster to us, along with copies of the completed forms and essay. **Please submit all entries to us by August 1, 2020.**

While we will surely miss getting together for our Art and Pizza Night, we hope many families will still take the opportunity to be involved. All works received will be added to videos on our website and Facebook page, and once contest winners are announced we will host a Live event on social media to celebrate our artists. (Details will be sent by email to all who submit art.)

We hope you have a wonderful summer. To all of our young artists and essayists out there, we hope you participate in our annual *What Home Means To Me* Contest! Good Luck!
